

28 November 1972

Dr. Louis W. Tordella
Deputy Director
National Security Agency
Fort George G. Meade, Md.

Dear Lou:

During my absence Tom Parrott was advised []
that [] who is currently serving a tour with us on the
Director's staff, is being considered for a promotion. Tom told
[] that we will have no problem accommodating the promotion here.
[] is doing an excellent job and we are delighted to see him advance
in his career service.

You will recall we also have a similar arrangement with
[] who, like [] is employed in a position senior to the
grade he now holds. When we discussed this last August you indicated
that [] would likely be promoted during his tour with us. []
is doing a fine job and there will be no problem on our part should a
decision be made to promote him to the GS-16 level.
